AT A GLANCE

DO2ME is what the music does to you. *Do it to me.*

DOSO and Mehrad have played back to back since they were 13. They read the room, match its energy, then take it higher. Residents at Bauhaus Houston, Quack Circle and the Layali after-hours, with 15 headliners supported and 33 gigs on record. Tech house at the root, minimal underneath, indie and afro house coming in. DOSO also produces, and his unreleased tracks run through their sets.
